

Thanks for Rallying!

Rianda House sends our heartfelt thanks to the hundreds of enthusiastic supporters for their generous contributions made during the 2017 Rally4Rianda fundraising campaign.

Thanks to the support of our amazing community, we raced past our Rally goal to raise over \$135,000, which will help us provide no-cost wellness, educational, and enriching programs for UpValley older adults.

We are especially grateful to our "Rally4Rianda Team Challenge" contributors for revving up the community by matching dollar-for-dollar \$50,000 in donations in honor of Mary Weber Novak!

Rally4Rianda was a huge success thanks to these following supporters:
